

New South Wales Coastal Conference 01.06.22

dancing with the deluge

from control to co-existence on the coastal edge

REALM studios

tom.rivard@realmstudios.com

recognition

1. Introduction
2. Context 
3. Projections
4. Strategies of Co-existence
5. Overlapping Ecologies
6. Case Study – Wagonga Inlet

isolation

○ cities
feel fine?

respiration

suffocation

Parkes, NSW

inundation

Lismore, NSW

dessication

Brewarrina, NSW

conflagration

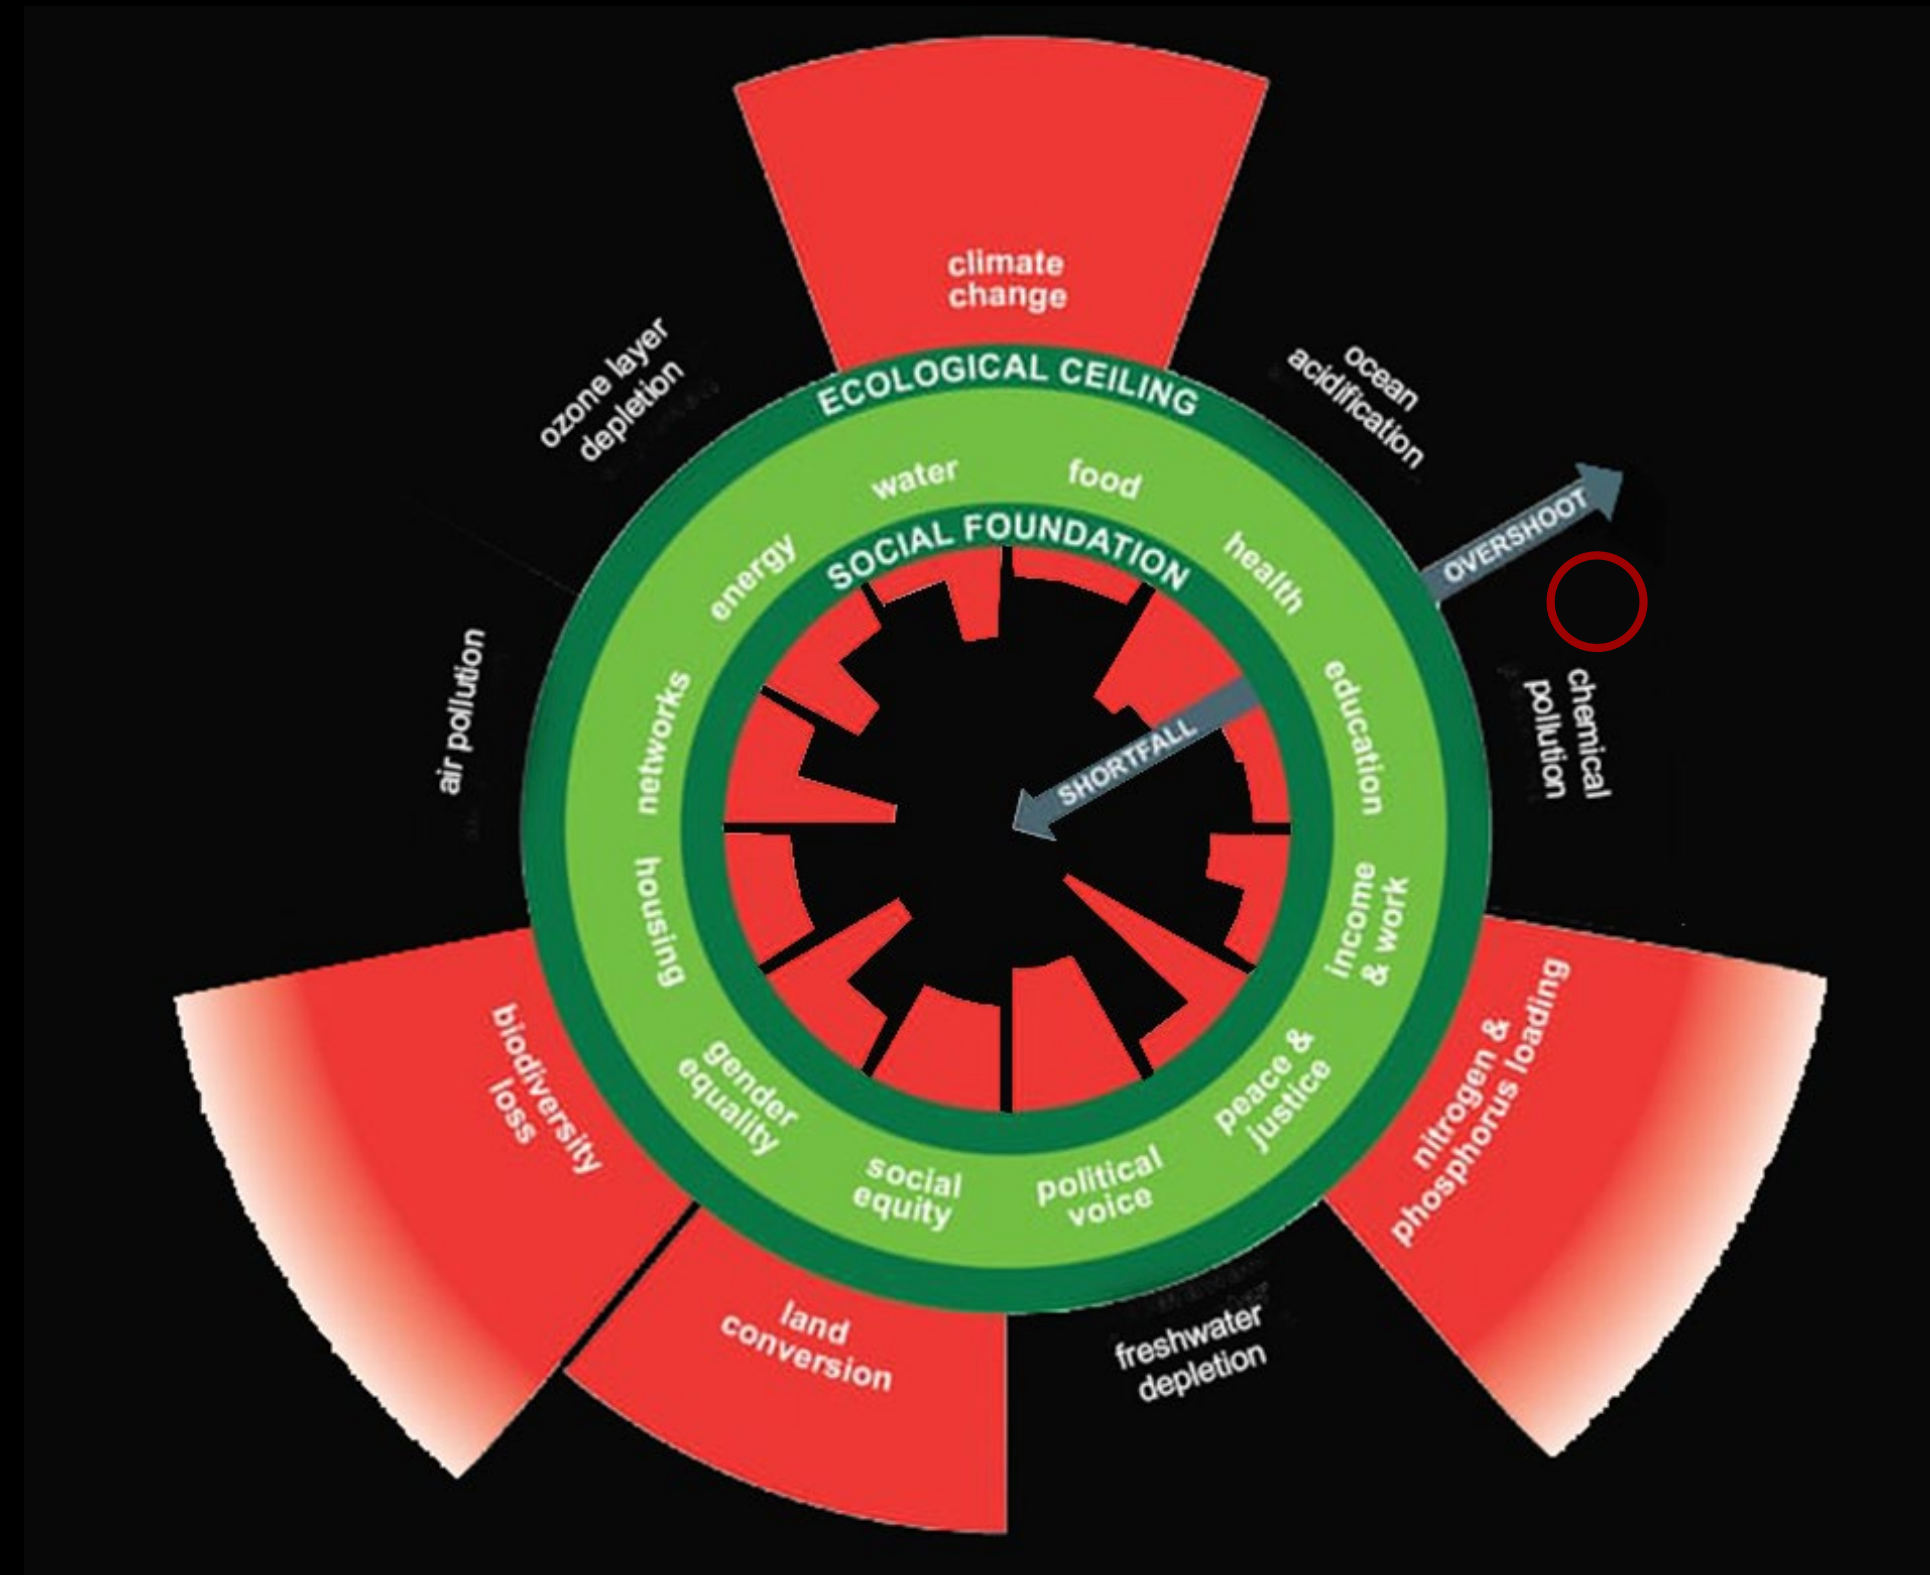

Foster, NSW

prediction

I've seen the future, brother,
it is murder...

Doughnut Economics – Kate Rayworth

repurcussion

the not-so-wild edge

Cabarita & Bogangar flooding, April 2020

recuperation

me I'm up there,
waiting for the miracle

Wunggurrwill Dhurrung, Wathaurang Country (Wyndham, VIC)

renaturalisation

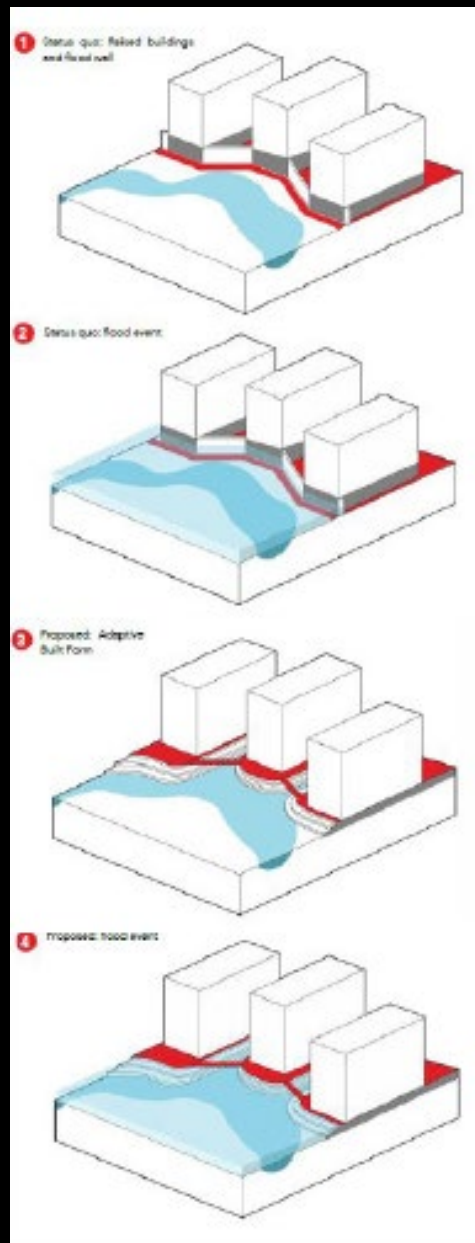

shopping centre

Blind Creek, Wurundjeri Country (Boronia, VIC)

accommodation

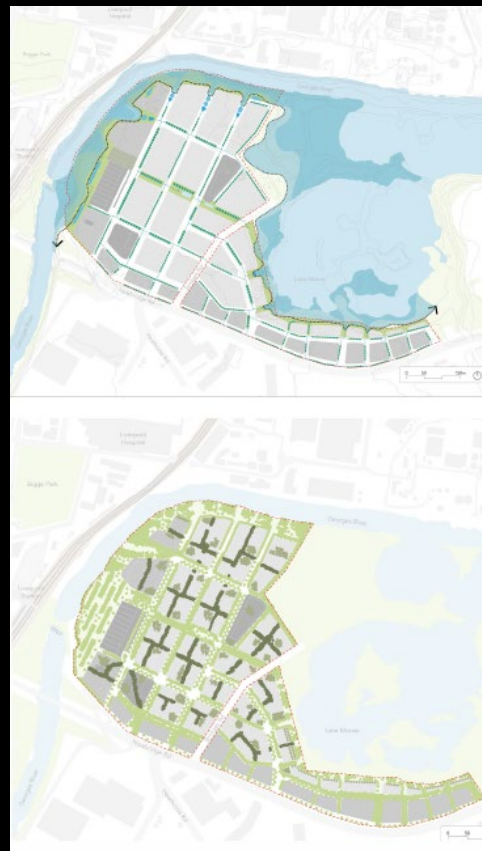

resistance is futile

Maribyrnong Waterfront, Woi Wurrung & Bunurong Country (VIC)

inundation

take me to the river

Moore Point, Darug & Tharawal Country (Liverpool, NSW)

re-occupation

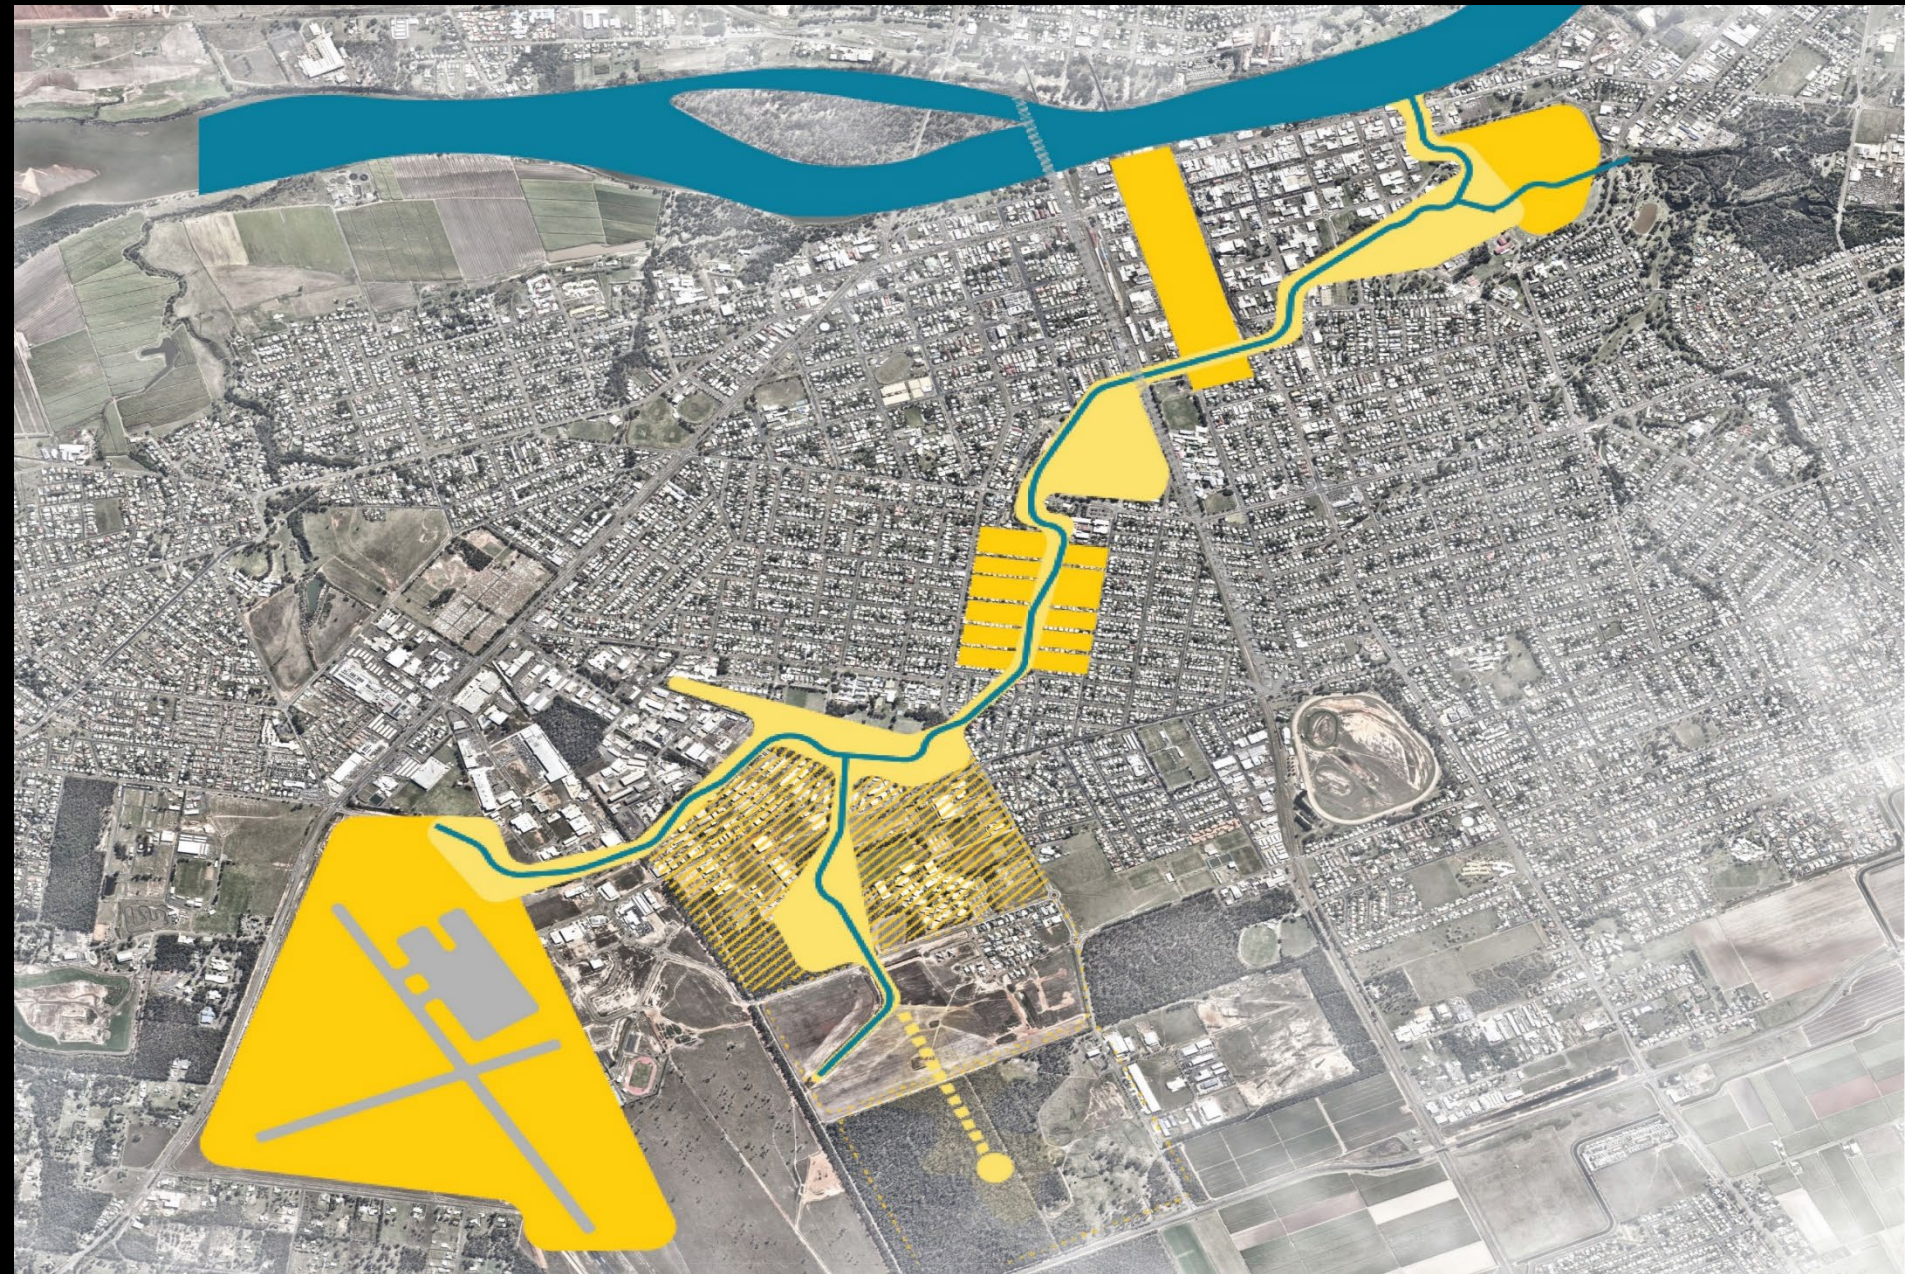

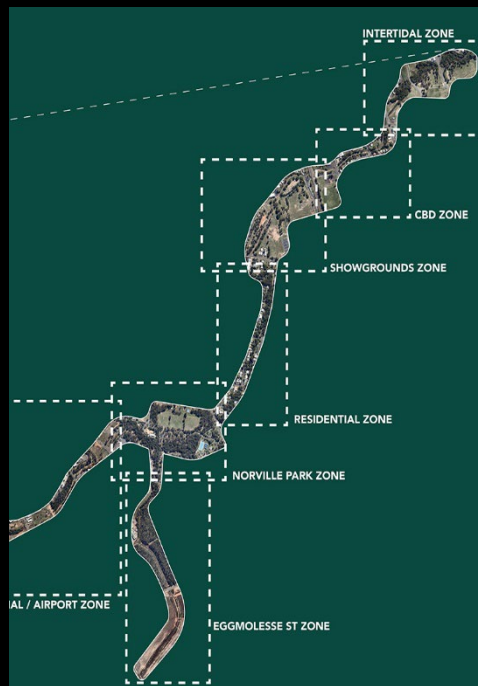

maps and legends

Canterbury Racecourse, Darug & Eora Country (Canterbury, NSW)

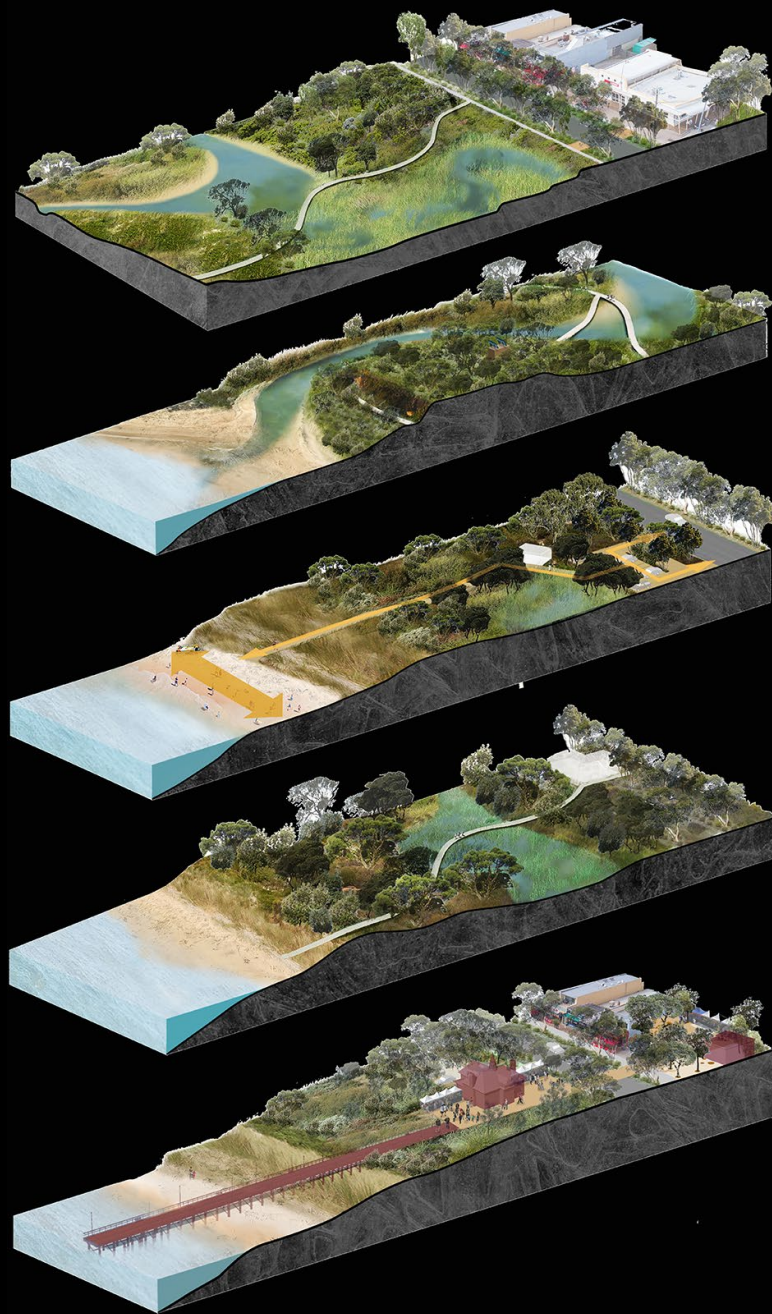

integration

Saltwater Creek, Taribelang Country (Bundaberg, QLD)

a river runs through it

clarification

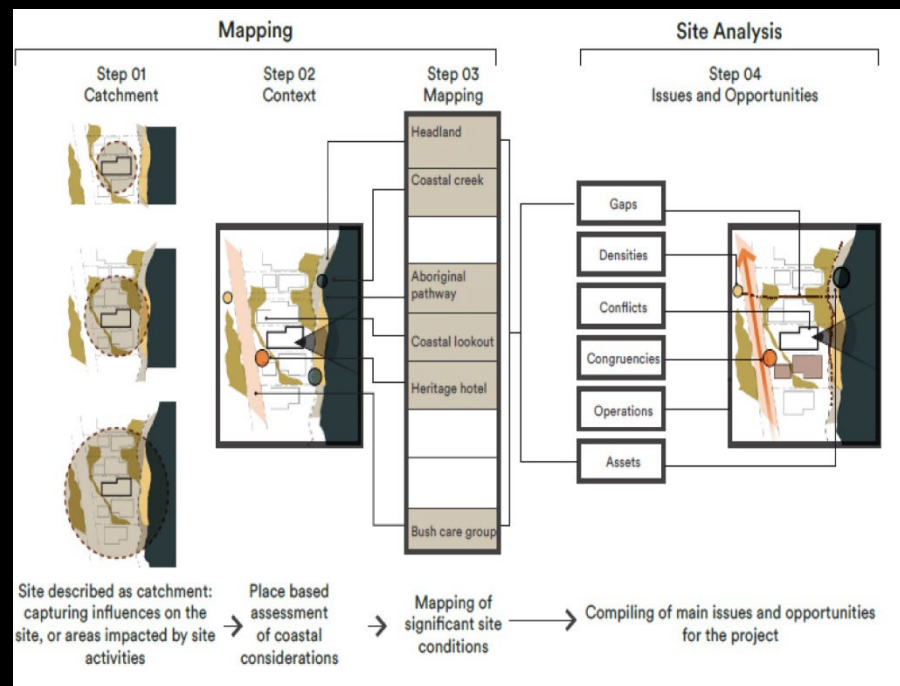

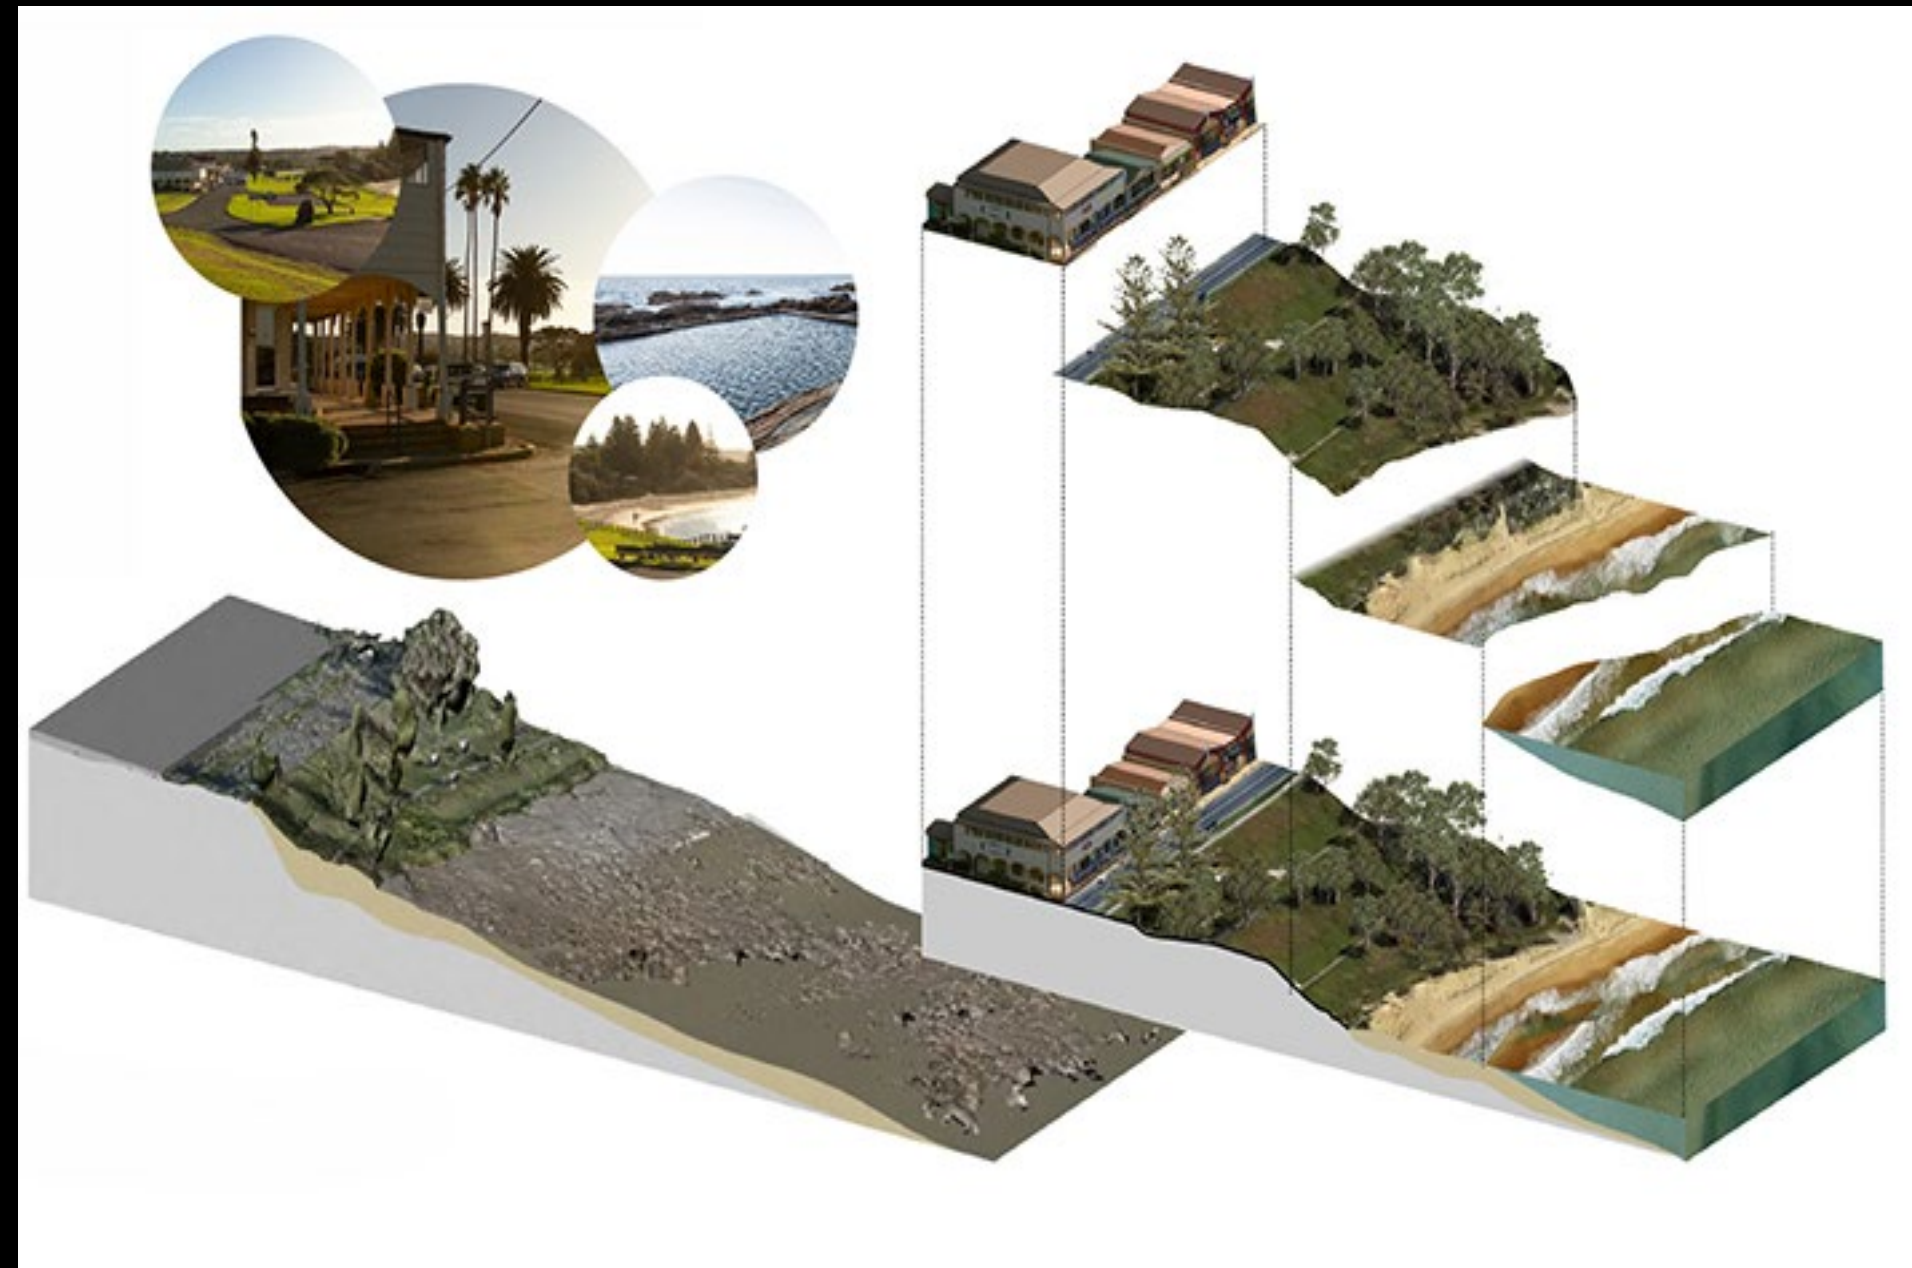

classifications and categorisations

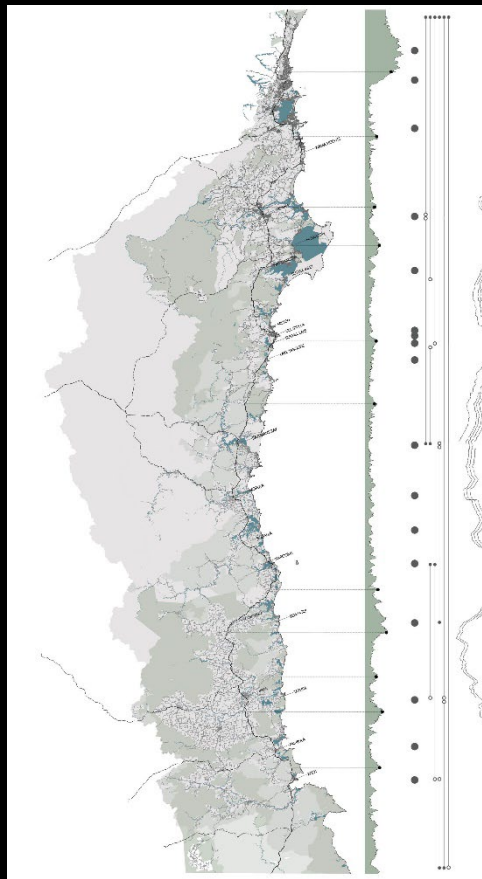

Guidelines for the Victorian Coast - Gunditjmara, Giraiwurrung, Gadubanud, Wathawurrung, Bunwurrung, Kurnai & Bidwell Country
